

Language Arts Extensions (Descriptive Writing)				
Pick a vacation destination that you have been to or would like to visit. Create a brochure describing this destination in detail.	Research a past American President. Write an essay describing the accomplishments of this President.	Create a menu for your ultimate restaurant. For each item on the menu, write a description of the entrée that would entice patrons to select that item.		
A Day in the Life....Identify a person you admire (can be someone you know or someone you would like to meet). Describe what you think a day in their life would be like. Include illustrations of events that happen in that day.	Create a photo collage of you and your friends/family. Write a description of each of your friends/family members.	You are developing a new cartoon show. Create at least five characters for this show. Describe these characters in detail (personality and appearances). Include illustrations of each character.		
Design a rubric for evaluating descriptive writing essays.	Select a controversial topic that you feel passionate about. Construct an argument that you would use in a debate over this topic. Be sure to include descriptions of facts and opinions, but distinguish between the two.	Think of one of your favorite TV shows. Develop a script for a future episode that would include a guest appearance by you.
